Private Reserve Foch – Trail, BC

6oz \$12 | 9oz \$15 | BTL \$32

If you like Merlot this full bodied, robust 100% Foch is for you! Fruit forward and balanced, we recommend decanting this wine to transition tight tannins and leather to inviting currants and butterscotch. We recommend this bold wine with oxtail, steaks, or Gruyère.

Columbia Gardens Winery

DeJager's Port- Trail, BC

4oz \$14 | BTL \$50

The only 100% Foch Porto made in all of Canada! Balanced with appropriate acidity, this port-style wine is clean and inviting, not syrupy and rich. With notes of chocolate, morello cherry, and plum we recommend this wine as a dessert at the end of the meal.

Mt Boucherie

Sparkling – Kelowna, BC

6oz \$11 | BTL \$30

An extra-brut sparkling that showcases flavours of bright citrus made in a “frizzante” style. 100% Chardonnay grapes and perfectly balanced while not overly effervescent, this wine works well on its own or with chicken and shellfish.
